East Coast Classic Car Association

Dear Friends:

On behalf of all New York City police officers, I wish to express our sincere gratitude to Joe Caldwell and the East Coast Classic Car Association for your kindness and generosity. Your check in the amount of \$25,000 received for our Widows and Children's Fund is especially meaningful to us as it will enable us to continue the fine programs established by the fund, such as providing scholarship grants, holiday gifts and other financial assistance for the widows and children of all police officers killed in the performance of duty, and, given the dangerous nature of our profession, sadly, widows and children of police officers who may lose their lives in the future.

It is because of thoughtful people like you that police officers will never fail to rise to the occasion and risk their lives in defense of the community they serve.

All the members of the PBA are grateful for your support and for your help in brightening the lives of these families.

Fraternally,
