East Coast Classic Car Association

Dear Friends:

On behalf of all New York City police officers, I wish to express our sincere gratitude for your kindness and generosity. Your check in the amount of \$18,000.00 for our Widows and Children's Fund is especially meaningful to us as it will enable us to continue the fine programs established by the fund, such as providing scholarship grants, holiday gifts and other financial assistance for the families of police officers killed in the performance of duty.

It is because of thoughtful people like you that police officers will never fail to rise to the occasion and risk their lives in defense of the community they serve.

All the members of the PBA are grateful for your support and for your help in brightening the lives of these families.

Fraternally,
