

St. Mary's Foundation for Children

Extraordinary children, extraordinary care.

December 21, 2009

Mr. Joseph Caldwell, President
East Coast Classic Car Association
P.O. Box 702
Harrison, NY 10528

Dear Mr. Caldwell:

We thank you for your generous donation of \$500 raised in conjunction with the 9th Annual Orchard Beach Car Show in October 2009. Your donation will help support programs and services provided by St. Mary's Healthcare System for Children.

Today, one in five children in the US has a special need. In New York State that translates to nearly 800,000 children – a staggering statistic. As one of the nation's premier providers of healthcare for children with special needs and life-limiting conditions, St. Mary's cares for **4,000 children** in the New York Metropolitan region, And Nassau, Suffolk, Westchester and Rockland Counties through our inpatient, home care and community programs.

On behalf of the children we care for and their families, thank you for making a difference!

Sincerely,

Angela Sculti
Director of Corporate and Community Relations

Cc: Mr. John Monsolino, Vice President
Mr. Fred Jost, Board Member
